Contributing Factors / Situations : Environment - Non Weather Related

Contributing Factors / Situations : Human Factors

Primary Problem : Environment - Non Weather Related

Narrative: 1

Large, bright, flashing strobe light from the P-56 prohibited area, distracting to pilot flying and monitoring both during final turn towards the runway, roughly abeam the Memorial Bridge. Initially thought we were being lasered from the ground. Very distracting to the flight crew during a critical phase of flight in very tight airspace impacting situational awareness.

Synopsis

Air carrier pilot reported being distracted during approach by a large, bright flashing strobe light from the P-56 prohibited area.
